CITYPARKS TENNIS MAKES IT FUN AND EASY

There are three levels of instruction:

PEEWEE (AGES 5-7)

The program concludes with a tournament held in Central Park for beginners and the JP Morgan Chase Aces Tournament for intermediates at Flushing Meadow Park.

City Parks Foundation brings free sports instruction to more than 12,000 boys and girls ages 5-16 in parks throughout the city. CityParks Tennis, CityParks Golf and CityParks Track & Field programs offer weekly lessons with experienced instructors and free use of equipment, all summer long. City Parks Foundation sports instructional

programs emphasize learning the basics of a given sport that can be played for life, and developing self-esteem, discipline and sportsmanship.

CITYPARKS JUNIOR TOURNAMENT SERIES

Since 1987, the CityParks Junior Tournament Series (an ETA-sanctioned competition) has been the proving ground for thousands of kids ages 10-16. During July and August, a tournament is held in each borough where players earn points based on performance. At the end of the 5-tournament circuit, the 16 top point-earners qualify for the NYC Junior Invitational Championships in September, competing for the title of CityParks Champion.
