

Photography Internship Summer 2012

City Parks Foundation is the only independent, nonprofit organization to offer park programs throughout the five boroughs of New York City. We work in over 750 parks citywide, presenting a broad range of free arts, sports, and education programs, and empowering citizens to support their parks on a local level. Our programs and community-building initiatives now reach more than 600,000 New Yorkers each year, contributing to the renewal of neighborhoods throughout New York City.
